5 Under current New Hampshire law, people are required to get a permit to carry a concealed handgun in public places. In order to get a permit, a person needs to submit an application to local law enforcement and pay a processing fee. Do you ... strongly support? Support? Oppose? Or strongly oppose ... requiring a permit to carry a concealed handgun in public in New Hampshire?

5 Under current New Hampshire law, people are required to get a permit to carry a concealed handgun in public places. In order to get a permit, a person needs to submit an application to local law enforcement and pay a processing fee. Do you ... strongly support? Support? Oppose? Or strongly oppose ... requiring a permit to carry a concealed handgun in public in New Hampshire?

5 Under current New Hampshire law, people are required to get a permit to carry a concealed handgun in public places. In order to get a permit, a person needs to submit an application to local law enforcement and pay a processing fee. Do you ... strongly support? Support? Oppose? Or strongly oppose ... requiring a permit to carry a concealed handgun in public in New Hampshire?

6 What about the governor -- If the governor signed into law a proposal that allows people to carry concealed handguns in public places in New Hampshire, would you be more or less likely to vote for him in the next election, or would it not make a difference in your vote?

Statement of Methodology: SurveyUSA is an independent, non-partisan, apolitical research company that conducts opinion surveys for media, academic institutions, commercial clients, non-profits, governments, agencies, and elected officials. SurveyUSA opinion research is conducted 100% by telephone; in some cases, 100% online; and in other cases, a blend of the two. For those projects that are conducted "nuived" (or "multi-mode"): Respondents who have a home (landline) telephone; in some cases, 100% online; and in other cases, a blend of the two. For those projects that are conducted "nuived-"): Respondents who have a home (landline) telephone; in some cases, a danswering machines. For surveys using random-digit-dial (RDD) to call landline phones, sample is purchased from SSI of Shelton CT. For surveys using voter-list (RSB) to call landline phones, sample is purchased from Aristotle of Washington DC. Respondents who do not use a home telephone are interviewed on an electronic device, which means, for other projects, that call-center employees hand-dial cell phones and interview respondents verbally on the respondent's phone, and means, for other projects, that call-center employees hand-dial cell phones are interviewed on an electronic device, which means, for some projects, that call-center employees hand-dial cell phones are interviewed on a net or several other respondents who are use a home belophone are interviewed on an electronic device, which means for some projects, that call-center employees hand-dial cell graw the second more as entimally usighted to U.S. Census targets for gende's, agend respondents who do not are a home phone and interview respondents who do not are a part device. Sample is purchased from SSI, responses are minimally weighted to U.S. Census targets for gende's, age and respondent set of a rofter projects, that as about political party identification, SurveyUSA may or may not weight to Party ID, depending on client preference. Where neasing/U. SurveyUSA indicates the percentage of re
